

Office of the President

February 28, 2020

Dear Students, Faculty, and Staff,

Martin Methodist College is preparing for the potential impact of the Corona virus. The Emergency Preparedness Team and representatives from nursing, the clinic, and residential life will meet in the next few days to review our pandemic policy taking into account the current recommendations of the Center for Disease Control. An updated policy will be communicated next week, and will be updated as necessary to respond to any new recommendations from the CDC.

Similar measures were prepared in response to the H1N1 pandemic in 2009.

In the meantime, the CDC encourages all to employ basic flu prevention measures. These can be accessed using the link below.

<https://www.cdc.gov/flu/prevent/actions-prevent-flu.htm>

For the College,

Dr. La Branche

Dr. Mark La Branche
President
Martin Methodist College
